Lehigh ADVANCE Grants for Interdisciplinary Collaboration and Leadership

APPLICATION FORM

1. APPLICANT INFORMATION:

Name of Lehigh faculty member requesting funds:

Department/Center/Program:

Total Funds Requested (not to exceed $750):

Date of Application:

2. TITLE of Activity:

3. TYPE of Activity: Please check the box for the type of interdisciplinary collaboration or leadership activity for which you request Lehigh ADVANCE support.

<u>For Lehigh STEM assistant and associate professors (women and men):</u>

☐ Travel expenses to meet with a colleague or colleagues outside Lehigh to explore interdisciplinary collaboration. The potential collaborative team will include at least one female STEM faculty member.

☐ Travel expenses and speaker's honorarium for a visiting scholar to promote interdisciplinary collaboration. The potential collaborative team will include at least one female STEM faculty member.

<u>For Lehigh women STEM pre-tenure and tenured faculty members:</u>

☐ Travel expenses to attend a conference that promotes interdisciplinary collaboration.

☐ Tuition and travel expenses to attend a leadership program offered by an organization such as HERS or professional association.

4. INCLUDE the following with your application form:

    a. **BRIEF CV of Applicant**
    b. **STATEMENT of Purpose:** How the activity will facilitate your career as an interdisciplinary scholar and/or academic leader.
    c. **DESCRIPTION of Activity:** For interdisciplinary collaborations or speakers, include a brief CV of the collaborator; for a leadership program or interdisciplinary conference, the event's solicitation or program must be included.
    d. **BUDGET:** ADVANCE funds may be used towards travel and hotel expenses; costs to attend leadership or interdisciplinary conference programs; or speaker honorarium. List any additional funds awarded, requested, or to be requested from other Lehigh sources for AY 2011-2012. Original receipts for all expenses $25 or greater will be required.
