Step inside the diversity bus and learn about unconscious bias and the role you play in them.

Watch some brief videos and participate in short quizzes to become empowered with the knowledge and resources needed to strip yourself of preexisting biases. This experience will help you better understand the role you can play in advancing diversity and inclusion within your community and in future places of work.

Students, Faculty, Staff, and Administration are welcome to attend. Light refreshments will be provided for participants.

4.18.18  12PM – 4PM

Asa Packer Campus Memorial Walk at the Flag Pole

This event is in partnership with Lehigh University, PwC, The CEO Action for Diversity & Inclusion and Cone Communications.
